## Definitions

**Audience in Viewing days** : total audiences of programmes viewed live, time-shifted and on replay on a given day, regardless of the original live broadcast date of the programmes caught up with.

**Audience share in percentage** : share that represents the viewing time for a channel over the total viewing time for television media.

**Monthly coverage** : number or percentage of individuals who had at least one contact of 10 consecutive seconds with the TV media or the TV channel over 4 consecutive weeks.

The **Monthly Médiamat** is part of Médiamétrie's **MediaMat** offering. **Médiamat**, the benchmark in television audience measurement in France, provides daily **audience figures for programmes watched anywhere, on any screen, live, timeshifted, on replay or preview**, by all French people aged 4 and over, i.e. **63.1 million** individuals.

The measurement is based on **2 representative panels** :

- A first panel of around **12,000 individuals** in **5,500 households**, comprising :
  - 5,000 households equipped with home TV sets, each connected to a fixed audimeter, the source of home TV audience measurement
  - 500 households without home TV sets
- A second panel of around **5,000 individuals** carrying a **personal portable meter** to measure TV audiences out of home (all screens) and on Internet screens at home. These audiences are then attributed to the individuals in the first panel by statistical fusion.

## About Médiamétrie, High trust data

Every day, Médiamétrie processes over one billion data to support its French and international customers in developing their strategies. At the core of our values and offerings: transparent, right, impartial, inclusive, comparable and verifiable measurement. Médiamétrie places the full expertise of its teams at the service of the design and production of joint and sovereign standard audience measurements for media, platforms and the advertising market, across both audio and video universes. Médiamétrie employs over 700 people and achieved a turnover of €103.5 million in 2024.
